Studio	Supervised Laboratory/ Clinic-30	Studio describes a class in which all students are engaged in creative or artistic activities which are new and unique and not formulated in a lecture setting. Every student in the room is performing a creative activity to obtain a specific outcome. It is a course requiring visual- or aesthetic-focused experiential work where students test, observe, experiment, or practice a field or discipline in a hands-on environment. Because it is not instruction-based, this requires more minute-to-minute responsibility for the faculty member to engage individual students towards their goal.	2 contact hours = 1 credit hour (2:1)
Directed Study	Directed Study- 55	A course requiring students to participate in individualized, independent, directed, or guided studies under the supervision of an expert or qualified representative of the field or discipline. Content material is not normally found in established courses
