

Move In Appointments

SPARK Welcome for New Students and Transfers

Move in Timeslots for New Students

Move In Appointments

This is where students will select a move-in time for Fall 2024.

The University Center is picking up your keys and move-in packet, then be directed to your hall to finish out your move-in. If you arrive 10 am, that means you will check out of your room, drop your stuff in your hall, and then head to the Sustella Parking Deck so that you can come back to your room and finish unpacking.

After you check out of your room, you will be directed to the Sustella Parking Deck so that you can come back to your room and finish unpacking.

There will be a sign at the Sustella Parking Deck that says "New Students" and "Move In Appointments".
